## HOOPER CHILDREN IN AUTO COLLISION

Automobile Accident May Result in Man Losing Hand.

Carlos B. Lastreto of the coffee importing firm of Lastreto and Co. 260 California street and Commissioner of the First District of San Francisco of the Boy Scouts of America, probably will lose his left hand as a result of an automobile accident at Geary and Hyde streets, when his machine was hit by that of Alfred Hooper, 18 years old, son of George W. Hooper, manager of the Sutter Hotel. Lastreto, whose residence is Menlo Park, is stopping at the Whitcomb Hotel. He was driving down Geary street, when Hooper's machine struck the rear of his car as Hooper was coming down the Hyde street hill.

Lastreto's machine was completely overturned, throwing his wife and sister-in-law out, himself being pinned under the car. In Hooper's machine were his little niece, Virginia Hooper, and his nephew, Roy Hooper. None of them were hurt. Lastreto was taken to the Central Emergency Hospital, where Dr. William A. Samson said that his left hand may have to be amputated, as it was severely crushed.—S. F. Chronicle.

The Hooper children formerly boarded with the Goodmans on Broadway.

## SUCCESSFUL CARD PARTY

The card party at the Mervyn Hotel, Glen Ellen Wednesday evening for the benefit of the Catholic church was one of the most successful and enjoyable card parties given in the Valley of the Moon for many moons. It was largely attended and the hospitable doors of the pioneer Mervyn Hotel once more opened to welcome old friends on the occasion. Much credit is due Wm. Craib, Mrs. Cowen and daughter Eileen, and Mrs. Thierkoff of the committee for the excellent arrangements and to Mr. and Mrs. H. Schieck and Fred Hansen for the music to which many couples danced following the card games.

Refreshments rounded out a very delightful evening and the distribution of the valuable prizes to lucky players.

Rev. J. F. Byrne expresses great appreciation for the cooperation received from friends at the State Home, folks of the Glen and Sonoma.

J. Milton McGimsey was married recently to a widow of Mendocino County. Mr. McGimsey is a widower his first wife being one of the daughters of J. B. Morris of Agua Caliente.

John Pagani, cousin of Charley and Rose Pagani of Glen Ellen arrived from Italy this week for a visit with his California relatives.

## JIM WEEMS CROSSES THE GREAT DIVIDE

Old Resident and Former Business Man of Sonoma Died Friday of Last Week.

James Weems known to all old Sonoma residents as Jim Weems is no more. He passed away Friday of last week in San Francisco after an illness of some duration.

The sobriquet "Sunny Jim" might well have been applied to Mr. Weems and during his long residence in Sonoma he was always known for his bright and cheery way, and his optimistic personality. He had the gift of wit and repartee and wherever there was a comedy to arrange whether as a parade feature or in a play, Jim Weems could always be relied on to furnish wholesome fun for the crowd.

Weems was at one time engaged in the merchandise business here, where Gottenberg Brothers are now located. He and his wife had considerable property interest here and their home on Broadway was always the center of much social life and entertainment. About ten or twelve years ago the family removed to San Francisco where they built a home near the beach. There the widow, Blanche Wooster Weems, and sons, Guy and Frank, now reside.

All that was mortal of Jim Weems was laid to rest at Cypress Lawn Cemetery on Sunday.

## NEW COMERS FROM SALINAS

J. H. Eaton and wife of Salinas have purchased one of the attractive cottages opposite Sonoma Grove and will make this valley their home. Mr. Eaton was in the garage business in Salinas for five years and states that when he went there no highways had been built and the town was at a standstill. With the coming of better roads the city has grown wonderfully.

Eaton plans to put up a garage on his property here.

The vote for Superior Judge as given out yesterday was: Seawell, 5979; Thompson, 4806; Denny, 4126.

Dr. H. H. Timm of Oakland will be at the Union Hotel today and tomorrow where he may be consulted on all eye trouble.

Boyes Springs Theatre presents the great film "The Miracle Man" Tuesday night, Sept. 7, 1920. Otto Gericke, former Sonoma resident was here from Shastopol this week and is always a popular visitor. Jimmy Sterling formerly of the Union Livery Stable but now chauffeur of an elevator in a San Francisco skyscraper was in town this week greeting old friends.

The infant son of Mr. and Mrs. E. G. Lynch (Ramona Grace) has been critically ill and the baby had to be put under the care of a trained nurse at the Alameda sanitarium.

## PRIMARY ELECTION GIVES FRED LOWELL LEAD IN VOTE FOR SUPERVISOR

DENNY LOW MAN IN COUNT FOR JUDGE. CONGRESSMAN LEA NOMINATED AND THE RECALL SNOWED UNDER.

The primary election in Sonoma County Tuesday was by no means lacking in interest with nominations pending for important offices and the recall issue to be decided at the polls all on the same day.

Much local interest centered about the choice of a Supervisor for the First District of which Sonoma Valley is a part. The results show the elimination of A. E. Lau of Cotati, so the race in November will be between Fred Lowell who got a handsome margin in many precincts both here and on the other side, and Harry Weise, incumbent. There is decided sentiment in the lower end of Sonoma Valley to be represented on the Board of Supervisors for the next term and the vote polled for Mr. Lowell in his home precinct 107 as against 30 for Weise and 6 for Lau shows the sentiment there.

The vote for Supervisor in the various precincts was as follows:

Precinct	Lowell	Weise	Lau
Cotati	59	12	78
Lakeville	57	10	18
Elmore	29	43	31
Mills	16	0	83

Sonoma, 1 and 2	139	138	11
Vineburg	107	30	7
San Luis	85	55	6
	692	451	276

There were two other districts in which contests for Supervisor stirred.

Colonel Herbert Shaw of the Presidio, San Francisco visited his folks here over the last week end. He made the trip up in his limousine and was accompanied by his son. The Shaw home has had also as visitors Harry Shaw and wife of Coconino. Harry has been up in Mendocino County at the Lee McGimsey ranch on a deer hunt.

## DEATH OF MRS. SIMMONS' BROTHER-IN-LAW AT LA JOLLA

Prof. Michaels in charge of the Biological Laboratory at La Jolla, and one of the faculty of the University passed away this week at his home down South after a short illness.

Prof. Michaels was a brother-in-law of Mrs. L. S. Simmons, her sister, Helen, having married the scientist. Besides the widow two children are left to mourn the loss of a kind parent.

The family visited here about two years ago and the professor's death will be read with regret by numerous Sonoma acquaintances.

Blair Hart, one of Sonoma County's most popular ex-Supervisors was in town Sunday circulating around among his friends. Mr. Hart is still keen on politics and although he resides on the other side of the mountain, he has the proud distinction of being a signer of the county division petition. "Sonoma County is good enough for me," says Mr. Hart.

## BOARD OF TRUSTEES DISCUSS IMPORTANT MATTERS AT MEETINGS THIS WEEK

The Board of City Trustees had two meetings this week for the transaction of important business. On Monday street bids submitted were rejected as being too high. The Engineers, Howe and Peters suggested a delay of 90 days and the readjusting of the work, believing that at the end of the season contractors might submit lower bids. This would postpone the street improvement until Spring.

On Wednesday night at the regular September session of the Board, a committee from the Library Trustees appeared to ask for additional funds to maintain Sonoma's Public Library. The increased costs of maintenance, books and magazines was presented to the Board who promised to grant some increase that new books can be bought and the library be kept up-to-date and interesting to its many patrons.

The following claims were ordered paid by the Board:

F. Canobio, \$24; H. W. Gottenberg, salary and supplies, 53.40; E. Regusci, 24; C. Revie, 24; A. W. Adler, 5.51; F. Duhring, 15.80; Mission Garage, 8.95; H. Castagnasso, 23; L. S. Simmons, 1.75; J. H. Albertson, 15; F. Canevari, 65.50; C. Dal Poggetto, assigned claim, 24; Dunham, 1.50; Expositor Forum, 2.50; R. Quartaroli, 60; F. Duhring, 520; F. Duhring, 125; F. Duhring, 29.57.

Mr. and Mrs. Press Smith and three children of Reno, Nevada have been here on a visit to their relatives the G. H. Hotz family. The Reno visitors were caught in a blinding snow storm on their way over the Sierra Nevada and the driver of the car could see nothing ahead but a cloud like vapor which completely enveloped the travelers. However, they made the journey in safety and enjoyed their visit here and in Sacramento exceedingly.

## BIG "SLUSH FUND" INTIMATION STARTS OFF CAMPAIGN

The charges and counter charges of slush funds put up by the Republicans and Democrats to get their men in the President's chair is fine propaganda for the hungry malcontent, and makes the average American citizen wonder just how much money is legitimately expended for campaign expense. The Democrats hinted at a slush fund of \$15,000,000 which was supposed to be spent to put a Republican in the White House. The Democrats are charged with a \$10,000,000 drive to get Cox into office. Federal employees to perpetrate the Democrats administration are supposed to have been assessed for contributions to the big campaign chest, and the liquor interests are said to be putting up money to "help elect men who will kill prohibition. Republican pledges include those of John D. Rockefeller, senior and junior, with their limitless millions.

It sets us to wondering if we are to be the victims of supra propaganda and if the newspaper men candidates are to vie with one another on a gigantic publicity campaign to color sentiment and swing the vote on the big day in November. If so it will be hard for the public to get at basic facts.

Just now it looks as though both sides acknowledge a fund for campaign purposes and if correspondence has been dug up showing contribution of money from the wets of New Jersey it is no worse than to behold Rockefeller, symbolic of the "dry" exchequer, on the list of Republican donors. New Jersey believes that Cox can be relied upon to approve an amendment to the Volstead act. If her people who have been pronounced on the un-Americanism of the 18th amendment want to put up money toward the election of Cox, it is no crime. Perhaps there is less to criticize where the people contribute than where big interests pledge money in chunks.

Campaign funds however should be limited and it seems that the two Ohio candidates for President might arrive at a decision of what is a legitimate expense and how much money would properly meet it. Such an understanding would be infinitely more satisfactory to the people than the big hub-bub over slush funds with each Party trying to drown out the other's voice.

## THE VOICE OF THE PEOPLE

The voice of the people of Sonoma County was heard in no uncertain manner at the polls Tuesday when with splendid accord they showed their confidence and appreciation of a conscientious and honest official, District Attorney George W. Hoyle, by snuffing under the pernicious recall, and repudiating its proponents.

The time will never come when the citizenship of our splendid county can be stampeded into injustice or hoodwinked on the truth.

Those who fomented the trouble and embroiled the County in this un-called-for maelstrom are little in every way and their few misguided followers kept falling away as the punitive charges they made against Mr. Hoyle pelted out one by one and finally collapsed completely. Just as quickly as the people took the trouble to investigate they found nothing to substantiate any charges made and saw the hand of self interest, vengeance and bigotry trying to pull the wool over the eyes of the public to achieve their sinister ends. Even the surrender of a thought powerful press for the dissemination of poisonous propaganda failed of its purpose and acted as a boomerang against foolish editors and those who dominated them. Mr. Hoyle's deserved vindication is complete and emphatic and now may our beloved Sonoma County of which no other has been worse maligned settle down to the constructive work which has been obstructed and rise in all its majesty to the place in the sun which it merits because of its good citizenship, high character and matchless environment. Whatever is constructive let us undertake. Whatever will promote harmony and truth, let us foster. Whatever will show faith in honorable men, let us demonstrate as we did on Tuesday.

## GOOD CITIZENSHIP AND OUR COURTS

**OUR COURTS ARE** what we make them and there is decided sentiment toward making law conform more closely with justice through the election of men of character and ability. When the people are awake to the seriousness of their duty as regards the sanity of our judiciary, the courts will come to be that much nearer to the exalted status which they should occupy in the public mind and more in conformity with the spirit which prompted their creation. Our forefathers builded well, and it is up to succeeding generations to see that the courts of this country measure up to all that was intended of them. In other matters we might choose men because of motives personal, financial, social, or fraternal but a vote for the Judge of any Court is a precious prerogative and should be cast for motives highest in our consciousness. This is a test of good citizenship which will react upon our institutions more spontaneously, directly and with more wholesome effect than any other move for betterment to which we can devote ourselves.

**TERENCE MacSWINEY** who would die for the sake of Ireland is one of a long list of martyrs such as the world has ever known. As we read of the Lord Mayor of Cork and his sacrifice we realize that the spirit kindled is not confined to any age in history and that as the world's eye is focused on this case, and the heart of the world goes out in sympathetic listening to the pleas of those with a great cause, light will dawn and right will manifest itself. The acts of martyrdom itself may be of passing piteous comment but the cause which inspires the sacrifice shines out and draws to it the great sentiment which molds history.

**THE KIND** of advertising Sonoma County gets from the State Law Enforcement League should be barred from the mails. Given the lie time and time again, it still flaunts its brazen and misleading statements to the detriment of this section and the disgust of everyone acquainted with the facts. The publicity slip which it sends broadcast is immoral propaganda of the lowest order. If other statements the "League" makes are as devoid of truth as its vilification of Sonoma County its scree should be instantly suppressed. Trying to make a showing to collect funds for fancied evils is its stock in trade, a noble purpose forsooth!

**MARION, OHIO** and its front porch politics has nothing on Sonoma. We have had grocery store politics and the front porch kind rolled into one.

## COMMITTEE VISITED S. F. TO INSPECT FIRE ENGINES

Two members of the committee selected by the Business Men's Association of Sonoma to make recommendation as regards the purchase of a suitable fire engine for Sonoma visited San Francisco Monday with that purpose in view. Messrs. Ralph Hotz and Dal' Emparan went down and looked at several types of combined chemical and pump engines.

They inspected the American-La-France chemicals to which the company agrees to attach a pump and 1000 feet of hose for fire fighting purpose. The American-La-France engine would be the same type engine as sold last week to Boyes Springs. It is mounted on a Reo chassis and not being equipped with pumping device, this would be extra. In the event the city of Sonoma can avail itself of the offer of Sam Sebastiani whose magnificent water supply and natural forces has been offered free at the outbreak of any fire in Sonoma, no pump would be necessary.

It has been suggested that when Sonoma acquires its chemical, the city also acquire a night watchman who by day could cultivate the plaza and by night sleep at the fire house where the chemical may be housed. Prompt action with a chemical is imperative and it is believed that it could be arranged.

Boyes Springs plans on building a two story fire house for its Little Red Devil and its Big Brother with quarters for a brave fire laddy overhead.

## A. J. MCGILL FORMERLY OF BOYES INTERESTED AT SODA BAY SPRINGS

People who have visited Soda Bay Springs in Lake County will hear with pleasure that the resort has been sold, and that it will be developed into an even more attractive spot than it was in the years of its past successes.

On August 6 it was disposed of at sheriff's sale. Mrs. Harriet N. Eldridge who held a mortgage on the property, was the only bidder at the sale, which brought \$15,330.41, covering debt and cost.

The new purchasers are H. V. Keeling of Lakeport, A. J. McGill and Mrs. Mary E. Roberts of Seigler Springs, the three being the principal stockholders in that resort. They plan to rehabilitate Soda Bay and make it more a summer colony site, both on their own land and on lots to be sold from part of the property.

Startling attractions have been booked for every day of the nine wondrous days and one will not be disappointed if he visits the Fair at any time. Horse Shows, Dog Shows, boxing, fireworks a whole flock of bands, a Midway, Power on the Farm Department, Horse Races and Dog Races, Vaudeville acts and a thousand and one other equally good attractions will fill every minute of the day and night.

All buildings will be open for inspection from 9:00 a. m. to 11:00 p. m. and nothing has been overlooked that will add to the comfort and convenience of visitors. The weather man promises ideal fair weather and indications now point to balmy days and cool nights during the entire period of the big holiday. President George C. Roeding and the Directors extend to all the citizens of the State of California a most cordial invitation to come to Sacramento and see the peoples' Fair.

Mrs. J. H. Shofner visited San Francisco on Wednesday and while there called on Mrs. Maurice Power. Mrs. Power is convalescent from recent ill health and her attractive daughter, Miss Constance Power, has decided to take a leave of absence from school until her mother fully recovers. The young lady is keeping up her music and attending night school.

Mr. and Mrs. Ray Manuel were presented with a pretty baby girl this week.

## AWFUL ACCIDENT AT COUNTY FAIR

Three persons were killed Sunday at Santa Rosa when the De Sousa special, leading in the 19th mile of the Sonoma County Fair 50-mile automobile race at Santa Rosa, crashed into some trees alongside of the track, as the result of a front tire exploding. Two of the victims were the driver and his mechanic and the third was a 7 years old boy spectator.

The dead are:  
Arlo Beattie, 26 years old, pilot of Hanford.

Delbert Walker, 24 years old, mechanic of Hanford.

Clarence Pregge, 7 years old, of Santa Rosa.

The big machine skidded from the track into some trees, exploding the gasoline tank and burning the two in the car and the boy who was in one of the trees watching the race.

Death was instantaneous. The tragedy was witnessed by many Sonoma people who were in the grand stand at 4 o'clock, about the time of the accident.

### HARRIS ENFORCEMENT ACT TO BE VOTED ON IN NOV.

On the November ballot Proposition No. 2 (The Harris State Enforcement Act) will put the question of prohibition once more before the people of California. The Harris Act would put the teeth in the Volstead Act for California for all time to come. Here is the argument against it as stated by E. M. Sheehan, President of the California Grape Grower's Association:

Proposition No. 2 (the Harris State Enforcement Act), does not represent true California sentiment. The measure itself is the product of the last Legislature, which absolutely misrepresented the majority wish of the people of this State on the question of prohibition.

In 1914, 1916 and 1918 California voted down prohibition by very decisive majorities. Within sixty days after the people had rejected the third attempt of the prohibitionists, a Legislature dominated by radical "dry" performed the startling feat of placing this State in the prohibition column by ratifying the Eighteenth Amendment and passing the Harris Act in California by way of enforcement.

In the rush to take advantage of a favorable Legislature, upon the personnel of which the prohibition element had worked at the preceding election, the Harris bill was devised and adopted eight months before the Volstead National Enforcement Act was passed by Congress.

The grape-growing interests of California availed themselves of the right of referendum and promptly presented a widely-signed petition to the Secretary of State. This brings the question of prohibition again before the voters.

Men and women who believe in democracy in government should unhesitatingly vote "NO" on Proposition No. 2. In the annals of political

history in this State, there is no more glaring perversion of the law of justice or thwarting of the will of the people than was exemplified in the passing of this particular State measure. Even a prohibitionist who would profess to love justice, would vote down this legislation with conscience clear. The conservative reasoning voter really has no other course to pursue if he analyzes the facts.

Let it be explained further that this Act would foist on this State a bone-dry prohibition law from which the people of California could get no relief even if Congress in its judgment later on saw fit to modify the Volstead Act by permitting the use of light wines and beers in the home. If Proposition No. 2 becomes the law in our State, we would find ourselves under rigid radical prohibition while other States in the Union could enjoy any modifications that might come through Congress by amendment of the Volstead Act. This would make a laughing stock of California which produces ninety per cent of all grapes grown in the United States.

Proposition No. 2, being of premature birth, is unnecessary legislation. If it becomes the law, it compels those who purchase liquor for non-beverage purposes, to obtain double sets of permits—one from the United States Prohibition Enforcement Department and another from the California State Board of Pharmacy.

I trust the great majority of voters of this State will mark "X" opposite the word "NO" on this measure and thereby again defeat prohibition in California for the fourth time. I repeat that the proposed law is superfluous, would bar light wines and beer in the home, and does not reflect the true sentiment of our glorious hospitable California.

Mrs. M. J. Pierce has gone to Colorado to visit her daughter.

## VINEBURG NEWS

Mrs. May Rochat was the guest of her parents, Captain and Mrs. Peter Bosch the week end.

Mr. and Mrs. Frank C. Rhode and family accompanied by Mrs. Louis Martin and family motored to San Francisco on Thursday where they will be the guests of friends for several days.

Mr. Cedric Cutler, the dried apple magnate returned from a business trip to the metropolis on Thursday evening and if dried apples don't go up in price do not blame Teddy.

Fred Batto, the Misses Adele Andrioux, Louise and Emily Batto, Marguerite McDevit and Herbert John Batto returned home on Tuesday after a delightful camping trip to the Sierras.

John Mohr presented Vineburg's "Idol" movie star, Bert Lytell on Tuesday evening to a large audience in "Hitting the High Spots" and believe me Bert can step some.

Al Groskopf hauled 5 tons of feed from South Vallejo on Thursday last and made the round trip in 5 hours, leave it to Al and the big Kleiber.

The Earl Fruit Company, one of the most progressive and oldest packing Companies on the Pacific Coast have closed the season's pack of apples and pears in Sonoma Valley. They have received very good price for their shipments of choice fruit out of Vineburg and Schellville which speaks well for this section of Sonoma Valley. There is one thing certain, if the company had a packing house and office of its own at this point it would do fifty per cent more business the coming season, 1920. The growers of fruit are satisfied with the manner in which the fruit is handled by the Company's managers.

Peaceful Vineburg was sure a happy burg on last Tuesday night, when it became known that Frederick A. Lowell, one of its most popular and esteemed citizens and candidate for Supervisor from this District won first place at the primary election. One of his old school mates describes the election in the following manner: "Fred was slow at the first tap of the 'bell' but at the half mile post he warmed up and at the three-quarter he got his 'second wind' and crossed under the 'wire' a block to the good."

Fred is fair and square, safe and sound.

And one of the boys that will hold the ground. —Fannie Ferndale.

Huichica school will open for the fall and winter term on Monday, September 6th, with the veteran educator, Mrs. Carrie Depender as principal.

Mrs. Mary Rubke accompanied by her sons, Henry and Ernest motored to the state of Nevada on Friday last where they will be the guests of Mrs. Rubke's sister.

Mesdames W. L. McAllister and A. H. Perry returned home on Thursday evening after a pleasant visit to the metropolis.

EASY JIM  
Henry Raufe, youngest son of a pioneer, Dr. Faure, and brother of the late Al Faure, was in Sonoma the past week on a visit to old friends.

Mr. Faure is a resident of San Francisco and had not been here for many years. He looked up many old timers during his stay and reminisced with him. His father was the only doctor in Sonoma Valley in the forties and up to the time of the earthquake and fire in San Francisco the birth registry book which contained the names of many prominent Sonoma citizens was frequently consulted and was greatly treasured by the doctor's descendants. It was lost in the fire.
